DEAR SIR/MADAM,

LETTER OF APPRECIATION

On behalf of the Head teachers, the local manager, the Assemblyman of Akyeremade electoral area, the SMC Chairman, the PTA Chairman, the president of ST. Anthony church and other stakeholders I write to express our profound gratitude for the ultra-modern toilet facility project which will serve about one thousand pupils from the KG, the primary and the JHS respectively.

The facility will help curb the problem of frequent leaving of pupils and teachers from the school to the public toilet around during contact hours.

Counting on your usual cooperation and support.

God richly bless you.

Yours faithfully,
.....
HEADMASTER
